You can kill it in the speaking business – but only if you nail the business part first and then the speaking part. Turns out – I know how to do both really well. That's why I'm being auctioned off. I have this simple yet powerful business building formula, as laid out in my book – Six Kick Ass Strategies of the Million-Dollar Entrepreneur – that maps out how to turn an idea into a shit-ton of cash in about 6 months. Seriously... a shit-ton.

To get there, you have to follow a couple of steps:

- 1 – Annihilate other bidders with a good shoulder tackle.
- 2 – Win me... well win access to the secret sauce that makes me an uber baller
- 3 – Get to one of 2 annual Million\$\$Mansion Retreats where I bring the sauce and epic experts in business strategy, sales, marketing, digital media, etc – to fine tune your go-forward-faster strategy.

DURING YOUR 3-DAY MILLION\$\$MANSION RETREAT, YOU CAN CHOOSE YOUR SUCCESS FORMULA INCLUDING HOW TO:

- Create a lucrative pricing strategy
- Attract big spenders that want to work with you
- Nail the target market that can buy, wants to buy, and will buy
- Discover what makes you a thought leader
- Position yourself like a pro
- Fine tune your delivery (Keynote, products, etc)
- Generate more sales and more clients on and off the stage with authentic marketing that works (even during keynote)
- Set goals that make sense and make money
- Toss your to-do list and win the day everyday
- This is about getting the ANSWERS you want to cut through the bullshit and get real problems solved so you can move forward faster

MY APPROACH IS STRATEGIC – THIS ISN'T CANNED GOODS – WHICH MEANS YOU GET THE ANSWERS THAT WORK JUST FOR YOU.
